

Fitzgerald Ben Hill Department of Leisure Services BB/SB Travel Team Policy

Travel Team Fees (in & out of county):

Player Fee would be required for those players who are not currently participating in the DLS Recreation League, including Out of County Residents. [Note: players who participate in both Travel Ball and DLS in the spring will only be charged a onetime \$35 fee (\$45 for out of county) for that time period (spring and a onetime fee for fall – see grid chart below)]

Spring – the fees paid during spring for recreation league play or travel team participant would be in effect from March – July of current year. Out of County Fees Apply.

Fall – An additional fee of \$35 or out of county fee would have to be paid for field use during the months of August – November of current year unless player is a member of a DLS Fall League team.

Field Availability – fields available when not in use for DLS Recreation programs/activities would be included in reservation process during the week. Would have access to fields designated by DLS that would be compatible with type of activity requested pending reservation policy. The use of these fields would not include in ground mounds or portable mounds. FIELD RESERVATION SLIPS REQUIRED AT ALL TIMES.

Roster Submittal – Local travel teams will be required to submit a roster listing names and resident addresses of all players and coaches. The fees paid during spring for recreation league play or travel team participants would be in effect from March – July of current year. An additional fee of \$35 or out of county fee would have to be paid for field use during the months of August – November of current year. "In town" fields available when not in use for DLS Recreation programs/activities would be included in reservation process during the week. Rosters would need to indicate who the certified coach is. [Note: all Recreation Coaches and Youth Sports Association Coaches are already required to complete a background check and the head coach per team is required to be certified. This will be mandatory.]

Practice Fields – Teams would have to comply with recreation policy concerning scheduling of practices. Facility use/practice slip required for all sites and dates, as they do for league teams.

All field availability to be determined by DLS after league schedules and program demands have been determined.
