

Fitzgerald – Ben Hill  
Department of Leisure Services  
All-Star Voting Procedure

1. Head Coaches will select an All-Star Team from the league in which they coach.
2. Each head coach will vote for pre-selected number of players per sport and two (2) of the ASEP certified coaches in his league.
3. Each head coach will turn his selection of players into the DLS Athletic Director, who will total all votes submitted by eligible coaches.
4. Players who receive a majority vote will automatically make up the All-Star Team.
5. If there are thirteen (13) majority vote-getters, then the All-Star head coach has the option of taking these thirteen (13) as his team, or he/she may add no more than two (2) players to the thirteen (13).
6. These additions that are made by the All-Star Head Coach and the DLS Athletic Director will come from those players that are next in line with the most votes.
7. Coaches are reminded to select players who have shown All-Star ability. We will be facing the best All-Star players from other communities. In order to compete, we MUST choose our best players.
8. Vote by placing a check mark (✓) next to the names of the players and coaches you believe will make up the best All-Star team to represent Fitzgerald.
